

Hello,

My name is Andy Nichols and I am contacting you to discuss future employment opportunities in your district. I am including my resume, Alabama and Mississippi Teaching Certifications.

For almost 44 of the last 50 years, I have been involved with different Itawamba County schools in northeast Mississippi. I was a student for 12 years in the public school system and earned my diploma in 1988.

I was very fortunate to attend Itawamba Community College and earn an Associate Degree in Marketing and Management Technology. I earned Bachelor's and Master's degrees at Mississippi State University.

After college, I substituted for a semester before finding 11 years of employment at the Tremont Attendance Center. I transferred schools and have spent the last 17 years at the Itawamba Career and Technical Center in the same classroom I attended as a high school student.

Over my teaching career, I have also been the go-to person for posters, banners, and all forms of multimedia for this district.

Itawamba County has been great to me, all of my life.

Recently, I applied for and have been issued an Alabama Teaching Certification.

Class A, Secondary (06A) Grades 6-12

Career Technologies (011FF)

Business/Marketing Education (0L9FF)

Technical Education: Advertising Design (T01FF)

I am exploring opportunities for employment in your great state.

I would appreciate you keeping me in mind for any openings in your district.

Thank you in advance for your attention.

Sincerely,

David A. Nichols, Jr. (Andy)
